

Drill: Offensive End Play - round about

G2

F3

G1

F2 starts with the ring and skates fast behind the net

F2 circles outside of F3 who is static(stationary)Once F2 has circled F3 then

F1 starts coming across outside of F2.

Remember that defence will be trying to keep ring carrier high. Stay inside the free play line.

F1 gets ring from F2 who continues and turns towards the net in front defence at . corner.

F1 if able goes straight for the net.

F3 glides as above and can receive a pass from F1.

F2 can receive pass from F3.

at any time when the opportunity arises a shot can be taken.
